

SURGICAL TECHNOLOGIST INSTRUCTOR

Candidates must have three (3) years of operating room/surgical experience working as an RN or a Surgical Technologist.

As an instructor, you will be working with adult students in a hands-on training environment. This includes training labs and the classroom. No teaching experience is required, and training content is provided.

Pay range \$20.00 - \$24.80/hour
based on qualifications
and experience.

Daytime & Evening hours
Part-Time
