

Welcome Back!

Inspiring and empowering all to dream, believe and achieve.

WCCC RESTART DRAFT PLAN

The Career Center family is faced with the challenge of providing quality career-technical education during this historic Coronavirus pandemic. The Career Center staff and students will move forward in a positive manner as we address COVID-19. WCCC has developed a tentative three-plan strategy for the 2020-2021 school year to ensure that we are prepared to provide our students the best learning opportunities while focusing on their health and safety.

The Career Center intends to return to school following PLAN B. To coordinate students return with our associate schools, we anticipate students returning on Monday, August 24, rather than on Wednesday, August 19.

	<u>PLAN A</u>	<u>PLAN B</u>	<u>PLAN C</u>	<u>Plan D</u>
4 Plans	Face-to-Face Learning	Blended Learning Face-to-Face & Virtual Distance Learning	Face-to-Face & Virtual/Distance Learning	Remote Learning
Schedule	All students, all staff, 5 days per week, regular school hours.	During blended learning students will follow an alternating schedule (groups A & B) will physically attend every other day. On the day's students are not on campus, they will do virtual learning.	During this blended learning plan students will be divided into four groups (A, B, C, & D) attending school Face-to-Face one day a week. Students will be provided virtual distance learning on the other four days.	Campus closed. All students and staff learning/working remotely from home.
Teaching & Learning	Instruction will occur in the traditional setting on campus.	Instruction will be a combination of traditional methods and online learning with tools such as Schoology, MS Stream, YouTube, Teams and other.	Instruction will be a combination of traditional methods and online learning with tools such as Schoology, MS Stream, YouTube, Teams and other.	Instruction will 100% occur through remote learning techniques with tools such as Schoology, MS Stream, YouTube, Teams and other.
Health & Safety	Face-to-face learning may include some or all of the guidelines recommended by the CDC, government and health experts. All staff and students will be required to wear face masks.	In this face-to-face and virtual/distance learning model, some or all of the guidelines recommended by the CDC, government and health experts as well as WCCC protocols may be required while on campus.	In this face-to-face and virtual/distance learning model, some or all of the guidelines recommended by the CDC, government and health experts as well as WCCC protocols may be required while on campus.	Consideration for full closure will be based on the health and safety of all students and staff and may be based on recommendations by the state of Ohio, the CDC and health departments.
